3rd International Bachelor Students' Conference

THEORY AND PRACTICE: STUDENT INSIGHTS

13th November, 2014
Kaunas, Lithuania

International bachelor student conference "Theory and Practice: Student Insights" is an exceptional event educating students' abilities related to application of theoretical and practical knowledge by analysing different subjects. This conference provides not only favourable conditions for bachelor students to involve themselves in scientific activities, but also provides opportunity for Lithuanian and foreign students to get acquainted with each other, share experience, spend time pleasantly and prepare for other research and practical events.

CONFERENCE TOPICS :

* Role of the young specialists in the development of the law thought;
* The importance of social work studies in the modern society: student experiences and prospects;
* The challenges for business in the terms of uncertainty;
* The art of learning languages.

CONFERENCE LANGUAGE AND ARTICLE PRESENTATION

The Conference language is English.

The language of article, annotation and presentation is English, although the article can be written Lithuanian or English. Presentation must be prepared by MS PowerPoint.

The presentation must be sent to the conference organizers by **6th November, 2014**, and after receiving the comments of the organizers, the corrections of the presentations must be done. The time of presentation is 7-10 minutes. We are looking forward to original ideas!

KOLPINGO KOLEGIJA
KOLPING UNIVERSITY OF APPLIED SCIENCES

BMDA
BALTIC MANAGEMENT DEVELOPMENT ASSOCIATION

Kolping University of Applied Sciences is private non-university higher education institution established by a Catholic charity and support organization - the Lithuanian Kolping Foundation. It is successfully working since 1996 and granting Professional Bachelor degrees.

Two main goals lie beyond the establishment of this University of Applied Sciences: one is to create an open educational institution developing social leaders. The second is to help demotivated young people perceive their personal dignity and value, build their confidence and internal strength and help them to become masterful specialists able to adapt to the rapidly changing environment of the labour market after they gain professional expertise.

Kolping University of Applied Sciences is funded by the International Kolping Society uniting about 600 000 members in more 60 different countries of the world.

For more information please visit www.kolping.lt.

Baltic Management Development Association (BMDA) is an international association uniting 68 business companies, international business schools, and individual management researchers from 23 countries – Austria, Belarus, Belgium, Croatia, Denmark, Estonia, Finland, France, Georgia, Germany, Italy, Latvia, Lithuania, Norway, Poland, Republic of Kazakhstan, Russia, Slovenia, Sweden, the Netherlands, Ukraine, United Kingdom, and USA **The goal of BMDA** is to develop management as a science and a profession, to promote high professional and educational standards and their understanding in the Baltic region, to create global environment for implementation of individual needs of the BMDA members.

BMDA offers a package of benefits for students studying in higher education institutions that are the BMDA institutional members. Students have a possibility to reach the latest management news, information about BMDA, its members' events and activities, and to login to the BMDA database. Students also are provided with a possibility to upload their news about student projects, upload their CVs, find companies for internships, get involved in the BMDA activities and other. For more information, please visit www.bmda.net or send an e-mail to info@bmda.net.
